

COGNPEN JUNE 1942

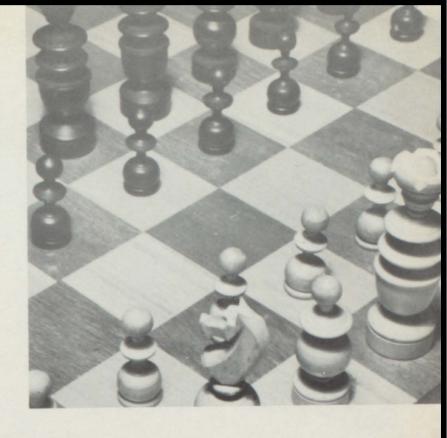

"As I walked thru the wilderness of this world. I lighted on a certain place where was a den, and laid me down in that place to sleep; and, as I slept, I dreamed a dream, and behold, I saw a man clothed with rags, standing in a certain place, with his face from his own house, a book in his hand and a great burden upon his back. I looked, and saw him open the book, and read therein; and, as he read, he wept and trembled; and not being able longer to contain, he broke out with a lamentable cry, saying "What shall I do?"

### GOOD BYE

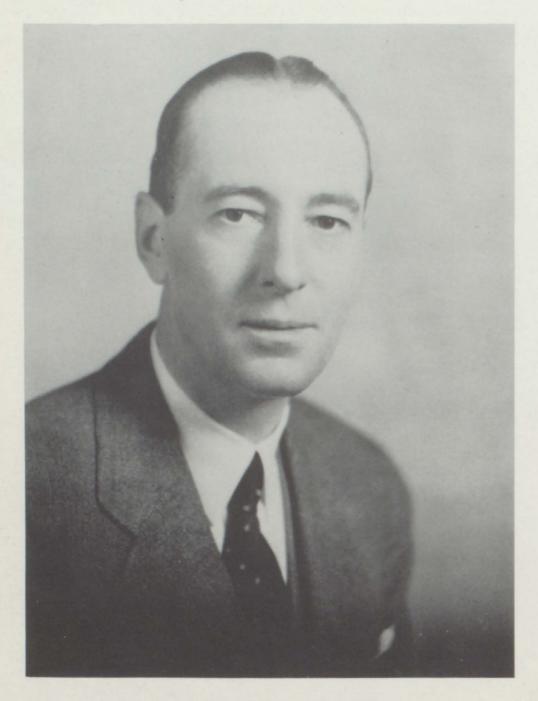

I feel the pangs of sorrow cling, As now adieu to thee I sing; And thoughts of such a blissful past, Within my mind shall ever last. I felt a sadness in my heart. When first I knew that we must part; And now to thee dear Central High I bid a very fond good-bye. The things I've learned to love and do, Shall leave me grateful unto you And to the board of erudites, For many days and countless nights. Once more in praise I lift my song, To think I've been with thee so long And now, on this fair day in June, It seems that we must part so soon. And when this book I seek again, To wish that I were back in vain In some far distant future year I'll close my eyes and shed a tear. With saddened joy I lift my song Until its sounds are heard so strong, That in thy mem'ry will retain, And evermore shall make thee fain.

-Louis Boscia

# Our Principal

MR. STANTON A. RALSTON

YOUR kindness and tolerance has made our stay here delightful. We are your first four year class and are proud of that distinction. Although, not without fault, we trust that we have not transgressed too much. You have been fair to us and we surely appreciate it.

# Assistants to Principal

MISS KATHARINE B. MARTIN

YOUR patience with our records is surely appreciated. You have helped us thru many detours which, through our own carelessness, might have been very troublesome. You have kept us on the track.

HENRY A. McCRACKEN

### ALMA MATER

High above the busy city, Far beyond all touch of ill, Sits enthroned our Alma Mater, Our dear Lady on the Hill. In the glory of the morning Burns in lines of liquid gold. Every upward pointing tower Like some battlement of old. Face we boldly every crisis, Love the need of duty done, As our pillared Alma Mater Boldly fronts the rising sun. Hope of youth and pride of manhood, Standing steadfast, strong and sure, Guide us onward, ever upward, Heritage of rich and poor.

Chorus:
Lift the chorus, send it swelling,
With a real and loyal will,
And our bounty be the beauty
Of our Lady on the Hill.

SMITH-TRIESS

## CLASS SONG

In '38 we said "Hello"

To dear old Central High

Four happy years have flown too fast

We now must say Good-bye

But though we must part.

There is hope in our hearts

Unafraid we face the world.

Our hands are strong

Our heads are high

Our banners are unfurled

We'll work and we'll fight.

For the things that are right

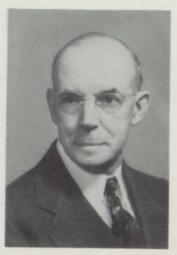

We'll be loyal we'll be true

We'll make you proud dear Central High

This class of '42

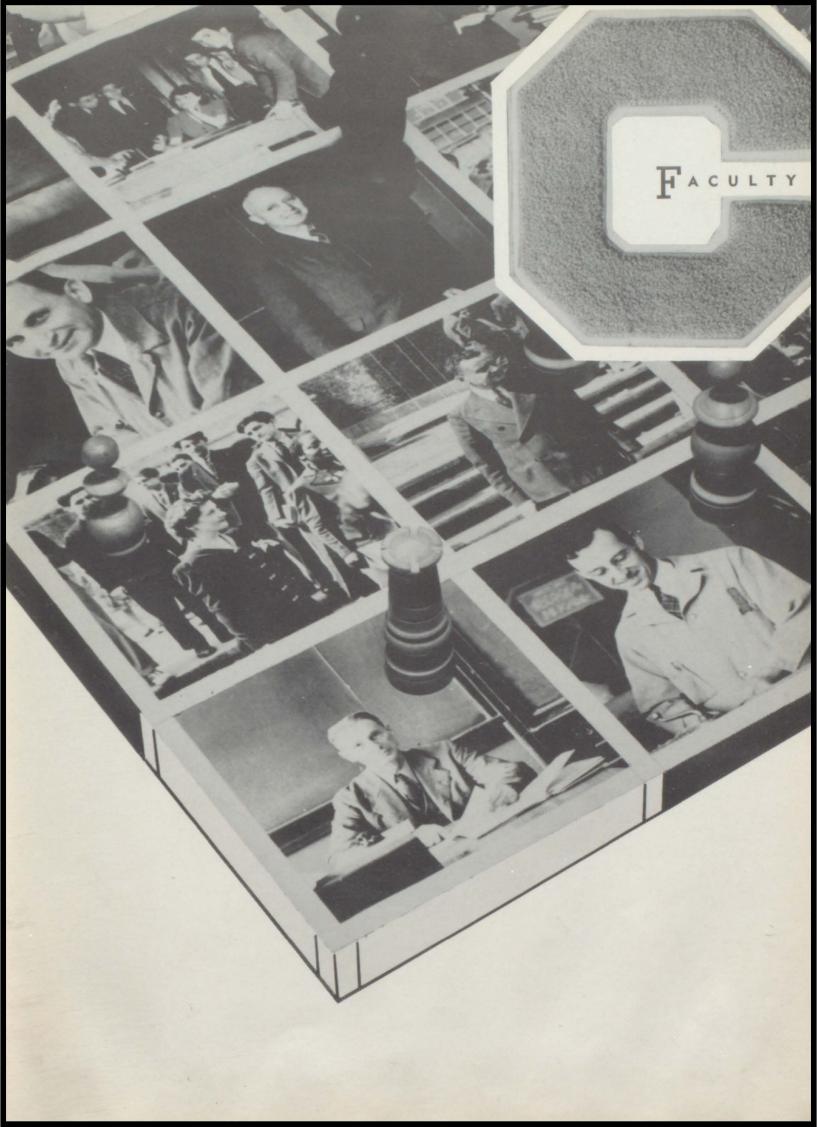

Second Verse
Although we leave you Central High
Still in our memory
Will ever linger all we've learned
Through our great faculty.
Repeat Chorus

# Last Will and Testament

IN this month and year of June, 1942, we the graduating class of Central Commercial & Technical High School of Newark, New Jersey, being of sound and disposing mind do hereby propose and declare this to be our Last Will and Testament in manner and form, that is to say:

To our faithful adviser and friend, Mr. Schleicher, we—well we don't know how to say it, but we feel it, and we hope and think he will know what we mean.

To our co-faculty adviser, Mrs. Welles, we leave the decorations which she so generously donated in our behalf and many thanks for the hours she spent in the gym.

To the Music Department we leave the echoes of Mrs. Welles' swing band.

To several members of our Faculty we bequeath sufficient funds for the purchase of hair tonic, make and brand to be selected by them.

To the Secretarial Department we leave our wornout pencils, the rough chairs that tore the girls' stockings, and the old typing ribbons.

To Mr. Miller we leave our respect and the hope that he will continue to boost the sale of defense bonds or anything else.

To Miss Boutillier we leave our phonetics.

To Mr. Conovitz we leave an ever changing history.

We bequeath Mrs. Heller's smile and blush to our successors.

To our beloved "Scotty" who lifts our morale in his elevator we leave our troubles.

To officer Boehringer we leave our cordial word of thanks for the countless hours he spent patroling our dances.

To the girls in gym we leave fire and air raid alarms.

To the "cutters" we leave our good old 4A nerve.

To the janitorial staff and Mr. Casey we leave Freddie's broom squad.

To the freshmen we leave the torn and tattered faculty who find themselves in this condition through the strenuous efforts of our 4A class.

To the Sophomores we leave the privilege of wading through all the hot air we left behind.

To the Juniors we leave the bare walls of Central which were plastered with campaign signs.

To Miss Ward we leave "2 cents including Saturdays, Sundays and Holidays."

To our successors we make the following solemn recommendations:

- A. Keep your chin up.
- B. Carry on and build a spirit that cannot be beaten by adversity.
- C. Insist upon maintaining a decent school.
- D. Realize that a lot of work must be done, yet still have sufficient energy left to participate in plenty of school activities. If you don't your school will become a factory. Is that what you want?
- E. Keep your interests alive in things of nature.
- F. Remember that your school career is a chapter in your life, not out of it.
- G. Take an inventory of yourself occasionally and ask yourself plenty of questions.
- H. Give yourself a frequent house cleaning.
- 1. Be tolerant, friendly, and clean in body and spirit.
- J. Don't compromise with evil things.
- K. Remember that you can do all these things and that the world looks to youth for its energy, optimism, and faith, and finally that poverty is only a state of mind.

We hereby nominate, constitute and appoint Miss Katherine B. Martin, Executrix of this our Last Will and Testament knowing that she is efficient in carrying out such details. We further appoint Mr. Stanton A. Ralston, Trustee of this our Last Will and Testament knowing that he will patiently and conscientiously administer the provisions of our Will to the best interests of our beneficiaries.

## Wisdom Is Everlasting

One of the most wise observations of all time was voiced centuries ago by an ancient sage whose identity has been lost with the passing of time.

"Seize what is highest," he reasoned, "and you will possess what is in between."

True now, as it was then. Those individuals who determine to fully meet their responsibilities succeed better than those who stop at lesser goals.

It seldom is difficult to convince such leaders that life insurance is one of the great necessities.
